FREE SHUTTLE BUS INFORMATION

The Cobargo Folkie Shuttle Bus is a **free** service operated in partnership with Sapphire Coast Buslines, servicing Narooma, Wallaga Lake and Bermagui, with additional highway stops at Mystery Bay and Central Tilba intersections.

Shuttles will run for a couple of hours from the beginning of the festival performances and we will ensure there are choices for return trips to get you home.

GOING TO THE FESTIVAL

- **No booking required** - simply turn up at the marked shuttle stops. Stops will be clearly marked with timetable posters and Folk Festival bunting
- The service is completely **free** of charge
- You must register for your **return** trip when **arriving** at the festival. When collecting your wristband at the Festival Ticket Office, sign up for your preferred return shuttle time
- If your preferred departure time is full, you must select an alternative departure time

LEAVING THE FESTIVAL

- The **pickup point** is directly in front of the entrance gate on Bermagui Cobargo Road, marked with timetable and Festival bunting
- You must register for your return trip when **arriving** at the Festival.
- Priority boarding is given to those who have registered
- Please be punctual as the driver can't wait for you
- Exercise caution when crossing the road to reach the shuttle stop

IMPORTANT

Once you have reserved a seat on the return shuttle, you must catch the bus you have chosen or change your reservation if a time is available.

If you decide to catch a later bus, you take the risk of the bus being full. Please be considerate of other shuttle users.

Most of all enjoy the Festival, take in all the music, fun and atmosphere but at the request of the shuttle drivers, no 'Wheels on the bus go round and round...'
